Dear Patient,

Welcome and thank you for choosing Northtown Primary Care. We are committed to providing you with the best medical care based on your health needs. Our goal is to form a partnership to keep your whole self as healthy as possible, no matter what your current state of health.

Your commitment to our Patient-Centered Medical Home Agreement will provide you with an expected type of care. We will work with both you and other Healthcare providers as a team to take care of you. You will also have better access to us through phone, web visits and secure email.

As your Primary Care Provider and Patient-Centered Medical Home, We will:

Learn about you, your family, life situation, health goals and preferences. We will remember these and your health history every time you seek care and suggest treatments that make sense for you.

- * Work with you to improve your health
- * Review your medications at every visit and recommend changes if needed
- * Develop a plan with you to improve your health and manage any chronic health problems
- * Set health goals with you and monitor your progress to help you stay healthy
- * Use computer technology as needed to optimize your care
- * Inform you of all test results in a timely manner
- * Provide you with educational material and information about community programs that will help you improve your health
- * Provide 24-hour phone access to a medically trained professional
- * Work with after-hours care centers to be informed of your visit within 24-hours
- * Offer same day appointments when needed

By Choosing to participate in a Patient-Centered Medical Home, I agree to:

- * Make sure my doctor knows my entire medical history
- * Tell my doctor all the medications I am taking
- * Actively participate with my doctor in planning my care
- * Keep my appointments as scheduled
- * Follow my doctor's recommendations
- * Frequently sign into my patient record portal to update my medical history, review messages, and communicate with my provider when necessary
- * Ask my doctor questions about things I don't understand
- * Ask my doctor for advice before making an appointment with a specialist
- * Ask other health care facilities to send my doctor information such as lab or test results, x-rays, or treatment notes
- * Understand my insurance, what it covers and update the office with changes
- * Provide the office feedback on how they can improve my care

Being a part of Patient-Centered Medical Home Neighborhood, your specialist will:

- * Communicate with your Primary Care Physician about treatment plans, medications, test orders and test results
- * Support the treatment plans and health goals set by your Primary Care Physician
- * Have an agreement with your Primary Care Physician regarding who will have the lead responsibility for your care if a chronic disease exists
- * Have same day appointments available for urgent problems and appointments within 1-3 weeks available depending on your medical needs
- * Work with your Primary Care Physician to coordinate all aspects of your care

We look forward to working with you as your primary care provider in your Patient-Centered Medical Home.
